

# Child Food Insecurity & Summer Food Service Sites

More than 500,000 Virginia youth are eligible for the free/reduced school lunch program. When students lose access to this over the summer, Summer Food Service sites are able to supplement children's nutritional needs to ensure healthy growth and development outside of school.

● Summer Food Service Sites

Percent of Children who are Food Insecure Per County

- 0% - 8%
- 9% - 13%
- 14% - 17%
- 18% - 21%
