

The Local Food Purchase Assistance Cooperative Agreement Program (LFPA) is designed to build, support, and expand existing local food systems by maximizing purchases from socially disadvantaged producers and distributing that food to underserved communities.

### 2023 SUCCESS & IMPACTS: 4P FOODS

**60,000+**  
**households**  
supported by this program

**650,000 lbs.**  
of food sourced from local  
farmers since July 2023

**\$1 Million +**  
put into rural  
communities by way of  
local farmers

"The program makes it so I can access fresh fruit and veg, **which I could not afford otherwise**. With diabetes, heart, kidney, and neuro issues, fresh food makes all the difference in my health."

April G.

4P Foods LFPA Program Participant

### FUNDERS

LFPA cooperative agreements provide 13 grantees with **\$13.6 million** in additional capacity to collaborate with food distribution agencies and distribute products to food insecure individuals in socially disadvantaged communities.
